Ready, Respectful and Safe

Issue 18: Friday 28th June 2019

## Royal Courts of Justice!

On Friday 28th June, twenty children from Year 4 and 6 visited the Royal Courts of Justice.

The children have been developing their debating skills throughout the year and this trip was an opportunity for them to use their speaking and listening skills in a real-life setting.

The children learnt about the court system and they took part in a mock trial about cyberbullying where they had the chance to act as the judge, witnesses, barristers, solicitors and members of the jury.

We were very lucky with the weather; the sun was shining so we ate lunch in Temple gardens afterwards. Everyone thoroughly enjoyed the trip!

## Westminster School Visit

Miss Farr and two student volunteers from the Westminster School, visited Burdett-Coutts this week. The purpose of their visit was to present a cheque for **£1,200** towards our school props and costumes.

The money will enable all of the Key Stages to have new Christmas production props and costumes suitable for their ages and various heights. (3 to 11 years).

The children and staff were surprised and absolutely delighted!

Thank you to Westminster School for your support and generosity!

## Deanery Service

A huge thank you to year 6 for performing magnificently at St Margaret's Chapel at the **St Margaret's Deanery School Leavers' Service**.

They were congratulated by everyone and Mrs Dyer beamed with pride!

## Summer fair feedback

The Summer Fair was a success!

Thanks to all the **parents, staff, children, helpers and people in our community**

- walking more
- doing the Daily Mile
- drinking plenty of water
- making sure you get enough sleep

**Don't forget the Veg Power competition to design something to make children eat more vegetables.** Remember to aim for at least 5 a day!
