

## Governing Body Standing Orders

Governing body procedures must comply with the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013. While these regulations provide a basic framework the governing body also needs to agree more detailed ways of working to ensure our business is conducted efficiently and our rules are applied consistently and fairly.

These standing orders set out the procedures which have been agreed for our school. If any issue is not explicit the regulations will apply. The relevant regulation is indicated in brackets.
