Agenda:

Smart school council
Caterlink Survey
Raising money for new books

Smart School Council

- Not enough participation from classes
- Year 1 voted that they know where the champ rules are displayed and that they know what the rules are
- School Council to make sure teachers are completing the surveys

Caterlink Survey

- Completed survey
- How much do you enjoy your school lunch? Two children voted 5 and the rest voted one. Reasons for this: food not cooked properly, and it is too hard, don't like the options available, do not always get what they ask for.
- How tasty are your lunches? 5 said they were ok and 2 said they did not like them
- Favourite meal: macaroni cheese 5 votes, lasagne 1 vote, beef 1 vote
- Least favourite meal: the vegetarian burgers, orange square with vegetables in it 2, veggie pizza, curry, rice.
- What would you change? Thinner chips, cook the noodles for a longer period of time as they are not cooked properly, the vegetable pizza needs less vegetables on it, and have Halal meat burgers.
- How friendly are the staff that serve your meals? 3 – they are a bit friendly. Some staff are very friendly and some are not friendly at all.

Raising money ideas for new books:

- Cake and biscuit sale
- Lemonade stall
- Food sale during the book fair

Next meeting: Friday 8th March
