Lydia – Cowell Class  
Gomezgani – Cowell Class

## **Register**

All present.

## **Agenda:**

Wet Play games  
School council questions  
Electing a chair, treasurer and secretary  
Any other business

## **Wet Play Games:**

- School Council reminded to return the tally charts so that we can decide which games to order and buy.
- Tally charts returned from Year 6 and 5 so far.

## **School Council and their role:**

- We discussed school council’s role in school
- Mrs Lee asked questions such as: why do we have a school council? What is your role?

**Election of chair, treasurer and secretary:**

- School council decided that the fairest way to elect children to these roles was to put names in a hat and choose them randomly from this.
- Gomezgani was elected the chair of school council
- Adam was elected the treasurer
- Mary and Anna-Mabel were elected joint secretaries

**AOB:**

- Adil raised the issue of behaviour of children when playing champ in the playground. School council also raised concerns about behaviour linked to football days and how children treat playground equipment.
- School Council decided that they need to address these issues by creating posters and running an assembly to promote positive behaviour when playing games in the playground.

**Action:** School Council to think of a name for their campaign and at next week's meeting to begin planning the assembly and creating posters.

**Future items:**

- Final decisions on wet play games
- Positive behaviour in the playground

Minutes by Mrs Lee
