Malak – Morpurgo Class
Kalen – Blackman Class
Zahra – Blackman Class
Sofia – Colfer Class
Basim – Colfer Class
Sophia – King –Smith Class
Leo – King-Smith Class

Register

No absences – all present

Agenda:

An introduction to school council
Discussion – what we like about school and what we would change
Anti-Bullying week

Introductions

Children discussed one thing that they like about school (green) and one thing that they would change (red).

- Kalen – each child has a fair chance, changes to school dinners
- Zahra – good friends, more science experiments
- Sofia – helps you to learn and get a job, more equipment in the playground
- Sophia – learn different things, food wasted
- Leo – lots of friends in my class, big children looking after the small children
- Nathan – learning partners, eating outside
- Hannah – everyone is kind to each other, children should wear school shoes and not trainers
- Joshua – made lots of friends, Friday football days and more tennis rackets and balls in the playground
- Malak – everyone is friendly, more equipment in the classrooms
- Basim – lots of fun subjects and doing things that we don't normally do, send homework electronically in KS2 and KS2 afternoon playtime

We voted on which initiative we would like to vote on and Basim's suggestion about homework being completed online was the most popular.

School Council then discussed this initiative:

Children felt that it would be good to use google classroom as a platform for completing homework. The Year 6 pupils suggested that Read Theory and Mathletics would be a good online homework resource. Discussion about those children who do not have a computer.

School council suggested that they could run a homework club for those children at lunchtime. Online homework would be good for children who are absent from school if they are ill.

Question to ask – would you prefer to complete homework on a sheet or paper or online?

Anti-Bullying Week

School Council will be running the Anti-Bullying week assembly on Friday 16th November. To be planned at next week's meeting on Friday 9th November.

Next meeting: Friday 9th November
