**“Working Together in Faith, Hope and Love.”**

Wednesday 7<sup>th</sup> January

Agenda:

1. Register
2. Book Club

1. Register

Present: Louise, Anna-Natasha, Ayah, Grace, Mosab, Tilly, April, Andy, Joshua

2. Book Club

Discussed the possibility of having a book club in Key Stage 2 which school council would be responsible for. We discussed if this would be feasible and whether we thought it would be a good idea.

School council took a vote about whether we should run this project. 6 children were in favour and 3 children were not in favour.

We discussed budget issues – we would need to spend quite a lot of money on books for the school council book club to be successful.

It was suggested that the members of the book club should change on a termly basis therefore limiting the number of books needed to be purchased as we could repeat the same texts each term.

**Action: Miss Graham to create a questionnaire for Key Stage two teachers to complete with their class. The purpose of this is to analyse initial interest in the idea of a book club to see whether we should continue with this project or not.**

Matters arising on action points from previous meetings

- Discussed the possibility of having a Key Stage 2 cook club which school council would be responsible for. Discussion took place as a result of a Year 4 question which was asked a few weeks ago.
