

School Council 2015/2016 Meeting Minutes

*Burdett-Coutts & Townshend Foundation
CE Primary School*

“Working Together in Faith, Hope and Love.”

Wednesday 7th October

Agenda:

Register

Playground plans discussion

Register

Today was our first school council meeting of the year. We have sixteen members in total, two from each class in Key Stage Two. We introduced ourselves to each other and discussed our favourite thing about our school.

Playground Plans

We looked at and discussed the Burdett-Coutts playground plan. Here are the comments and ideas that we had:

What we liked about the plan:

- The football pitch is brilliant – we all agreed that the new ground is really safe and fun to play on.
- The design around the tree is colourful and bright.

Our suggestions/ideas:

- Racetrack – a lot of school council members thought that this looked unsafe due to its location around the climbing frame.
- Gazebo (small) – would like this to be a reading hut so that there is a quiet space for people who do not want to run around.
- Friendship stop – suggestions that we should redesign and make this brighter
- More equipment needed in the playground.

Actions:

School council to pass their playground suggestions to Ms Dyer.
