Tilly – Rowling Class
Nathan – Rowling Class
Amin – King –Smith Class
Nevaeh – King-Smith Class

Register

Apologies from: Year 6 who were on a trip, Year 4 who forgot to eat early lunch.

Agenda:

- Book Corners
- Playground books and reading opportunities
- AOB

Book Corners

- Mrs Lee reported that teachers have been shown the items available for their book corners and requests have been made by some teachers for new cushions etc.
- School council spent some of today’s meeting adding up the costs for the items that teachers would like to purchase.
- Total amount to be spent so far = £63.

Actions:

- **Next week we will finalise and place the order (once all teachers have responded with their resources requests).**

Playground Reading

- School Council have previously made suggestions about the possibility of having books brought out to the playground during playtime so that there are opportunities or reading during playtime.
- Today we discussed the logistics of this and came up with the following plan: rota for school council members to take out and collect the books at the beginning and end of playtime; to be introduced during Key Stage Two playtimes only to begin with.

Actions:

- **Next week we will discuss in more detail where we will try to get books from. Mrs Lee to check school council budget to see if we could buy some new books.**

AOB

- Kenya-Rose raised the possibility of having a school newspaper. There was lots of enthusiasm for this idea.
- We discussed a day in the summer term where school council could take part in creating a school newspaper.

Actions:

- **Next week look at examples of school newspapers e.g. http://www.mayfield.ealing.sch.uk/docs/letters/Voice_of_Mayfield_Newspaper_Edition_1.pdf**

Future items

- School newspaper

Minutes by Mrs Lee
