Agenda:

Anti-Bullying assembly reflections

Anti-Bullying Assembly

- All felt that this went well.
- Positive feedback from Mrs Camplin – we received a Thank you card

Smart School Council

- Decision needs to be made today about what will the focus for the first class meeting will be
- Question to ask – would you prefer to complete homework in an exercise book or online?
- After reflecting, we have decided to ask about wet play first as we feel we need a test run of the new class meeting tool before we launch our initiative about homework
- We are going to go away and think of films that are U rated which they would like children to choose between. The most popular DVDs will then be bought for wet play.

Next meeting: Friday 30th November
