

School Council 2015/2016 Meeting Minutes

*Burdett-Coutts & Townshend Foundation
CE Primary School*

“Working Together in Faith, Hope and Love.”

Wednesday 25th November

Agenda:

1. Register
2. School Council Badges
3. Wet Play games
4. Year group questions

1. Register

Not present: Zahir, Tilly, Mosab, April

2. School council Badges

Miss Graham reminded members that they need to look after and take care of their school council badges.

3. Wet play games

School council would like to spend some of this year's budget on wet play games as they feel there are not enough in each of the classrooms. Members of school council suggested that there should be wet play monitors to look after the toys as new games often get damaged very quickly. Games suggested for purchasing: question games, charades, board games.

4. Year Group Questions

Year 4 question: Can we have a book club?

School council members thought this would be a good idea.

Action: decide how this could be implemented. Who would run the book club? Who could be a member of the book club?

Year 5 question: Can we have more wet play games?

Action: school council have begun discussing this (see above).

Matters arising on action points from previous meetings

- We began making a list of the key items that we would like to buy for the playground. Needs to be completed next week.
