

On Sunday 28th April, our school is taking part in a sponsored fun run in Battersea Park, organised by a community charity, Run Kids Run.

With 9 other primary schools, our pupils will take on the challenge of a 1 or 2k run, to raise much needed funds.

Run Kids Run has secured funding from various sponsors, and they are donating £5,000 to help us to improve our school playground.

But £5,000 is not enough...

Our PSA, The Friends of Burdett-Coutts (Charity #1167707) has raised £3,000 to add to Run Kids Run's initial £5,000 sponsorship.

With £8,000 still to be raised, this is where you can help out...

Please have as many family members, friends & neighbours sponsor our pupils as they compete.

To make a donation, simply go to:

www.justgiving.com/campaign/runbcrun

With your help, we can raise the funds we need to improve our playground.

Feel free to share our JustGiving link with family, friends & neighbours.

We greatly appreciate all donations and can't thank you enough for supporting our school!
