

INTERNATIONAL EVENING

17TH MAY
2024
15:30 - 18:30

Parents, carers, families & friends, and of course all pupils, are invited to join us in celebrating the many individual cultures that make up our fabulous school community, through the universally enjoyable theme of food.

We have over 26 different nationalities in our school, so the opportunity to discover and taste something new, whether a staple food or a celebration treat, is almost guaranteed! There will also be a drinks stand and music, as well as a range of activities for children on the day.

If you would like to submit a dish, whether hot, cold, savoury, a dessert or a baked item for this event, please email the school office, with your name, name and country of origin for your dish, and ingredients list. You can also register in person at the school office.

Please note that we require the ingredients list to print out and place next to each dish, so that everyone can be informed of any allergens or dietary requirements they may have.

Please note that this will be a totally cash free event.

On entry, you will be able to buy tickets which you can exchange for any item - food, drink or activities - on the day.

This is to ensure that those serving food are also not having to handle money, and can concentrate on dishing out meals for you.

All proceeds from this event will go towards our fundraising target for our school playground project. Thank you so much for your support with this fundraising initiative.

We look forward to seeing you!

Burdett-Coutts
