

Multiply

Multiply is a brand new programme designed to help adults in London improve their maths skills. Capital City College is working closely with local partners to deliver Multiply at a location that's convenient for you.

What's on Offer?

We run a variety of courses, including Money management, supporting you to support your Children, and helping you to gain a Maths Qualification if you don't have one.

Multiply is delivered as a series of short, interactive workshops where our tutors will help you identify and teach you how to overcome any issues mathematics presents in everyday life.

Multiply Enrolment – will take place at a location convenient to you- date to be confirmed.

On the day you will be asked to fill in an enrolment form and bring evidence to prove you fulfil the requirements. All course costs are being met by the Mayor of London.

To be eligible for Multiply you must:

- Have the right to live and work in the UK
- Be aged 19 or above.
- Live in London
- Not have maths GCSE at grade C or above (or equivalent)
- To have resided in the UK for 3 years at least

Evidence to bring;

- ID (e.g. Passport, Biometric Card or Birth Certificate) to allow us to confirm age and identity.
- Utility Bill/Bank Statement/Benefit Statement dated within the last three months to confirm your address.
- Confirmation of your immigration status (for Non-British citizens, or willingness to allow us to check your status online for those with EUSS).

Many thanks

The Capital City College Multiply Team
